

Hertz Carfirmation™

Know the car you drive
before you arrive

Now you can fast-track your way to a Hertz rental car at the airport. As a Gold Plus Rewards® member you'll get a Carfirmation™ email sent the moment you land. It will tell you the make, model, colour and registration of your car and which parking bay it's in. So you can just turn up, get in and go. It's seamless, simple and free to join.

Please contact your Lufthansa City Center Account Manager for more information.
