

ENJOY WORLD-CLASS COMFORT IN SAS BUSINESS

Come fly with us to the US and Asia via our hubs in Scandinavia. In SAS Business only the best is good enough. Before your flight you can breeze through security check where Fast Track is available and enjoy our Business Lounge where you can catch up on work or just have a snack and beverage before boarding.

On board SAS Business you will enjoy great comfort. You can relax and savor delicious meals from our new menu that offers Scandinavian specialties with more choices and restaurant feel.

All seats in SAS Business have direct access to aisles and can be folded flat for maximum comfort and sweet dreams.

The bedding comes from Hästens, the oldest premium bed manufacturer in Sweden, to ensure you a high-class sleeping experience. Welcome on board!

Our business is getting you there on time fully rested and ready for business.
